

ROCK BAND SIGNUP FORM

Dear Parents/Students,

Participants in our Rock Band Ensemble program will develop critical listening and performance skills while making new friends in a relaxed and fun environment. All our Bands are supervised by a Pinnacle Music School music instructor and all participants in the program have the opportunity to perform at our Student Concerts and events. All Rock Band Ensemble members have the opportunity to record performances live off the floor as well as practice and perform at Belleville's Empire Theatre. We have Rock Band Ensembles for all ages, levels and styles. Our Rock Bands Ensembles rehearse on a weekly basis on a set day of the week. To join a Rock Band Ensemble, you must audition first. This can be done through your teacher at Pinnacle Music School during regular lessons. Auditioning is a necessary step to ensure you are placed in a Rock Band Ensemble that matches your stylistic preference and musical skill level perfectly!
